

All Cats and Dogs in Germany  
Eaten, He Says.  
COPENHAGEN (via London), Feb. 8.—  
The labor journal Folkets Avis says:  
"A business man who has made a six-

month's tour of Germany, says that  
conditions in the Empire are more des-  
perate than they were in Paris in 1870.  
"He adds he was convinced that all  
cats, dogs and even fowl in Germany  
have already been eaten."

### A Healthful Habit for Children -

Mothers, today, encourage the chil-  
dren to chew gum.

Children, who will grow up to rep-  
resent the people in Congress, in the  
Cabinet and on the Bench, are now  
chewing gum. It is a good sign, for  
it shows a spirit of energy.

And a healthful habit, too, if the gum is

## P. S. BOARD REOPENS EDISON RATE CASE; NO HIGHER PRICES

Assurances Given 8-Cent Rate  
Will Continue, Unless Facts  
Warrant Reduction.

Chairman Oscar S. Straus and Pub-  
lic Service Commissioners Hayward  
and Hodge decided to-day to reopen  
the New York Edison Company rate  
case, which was settled several  
months ago.

Commissioner Hayward told an  
Evening World reporter, after the  
committee of the whole meeting at  
which this action was taken, there is  
not the slightest probability the pres-  
ent rate of eight cents a kilowatt hour  
for electricity will be increased. If  
the facts warrant such action, Com-  
missioner Hayward said, the present  
rate will be further reduced.

The present 8-cent rate for electric-  
ity used by the small consumer,  
which was a reduction from 10 cents,  
went into effect the first of the year,  
to be effective for three years by the  
Commission's order.

To-day's action, it was explained,  
is the result of numerous complaints  
from owners of large apartment  
houses, and particularly from the  
New York Manufacturers' Real Es-

tate Construction Company, which  
owns a block of property on the  
Upper West Side.

One of the provisions of the eight-  
cent agreement was that master  
meters would be furnished to build-  
ings under one ownership, and that  
if the owners desired to supply ten-  
ants with current they must them-  
selves furnish the sub-meters. It  
was also provided the supply and the  
renewal of carbon filament lamps  
free would no longer be made at  
eight-cent rate, but that such re-  
newals would be continued for one-  
half a cent more.

Considerable dissatisfaction, both  
with the master meter provision and  
with the lamp renewal provision was  
heard, the Public Service Commis-  
sioners claim.

### THREE STAR FED PLAYERS FOR CINCINNATI CLUB

Garry Herrmann Announces Pur-  
chase of Pitcher Schultz, Short-  
stop Esmond and Catcher Huhn.

Garry Herrmann, owner of the Cin-  
cinnati Club, announced at the Na-  
tional League meeting at the Wal-  
dorf this afternoon he had purchased  
three star Federal League players.

Jimmy Esmond, who was con-  
sidered the best shortstop in the Fed  
circuit last year and who played with  
Cincinnati before jumping to the out-  
laws, goes back to the Reds. The  
purchase price was \$7,500.

Henrie Schultz, a former Yankee  
pitcher, and Emil Huhn, a catcher  
from the Newark Club, were included  
in the trade.

### PROCESS SERVED ON WEALTHY WIDOW IN HER BATHROOM

Mrs. M. B. Luckenbach Makes  
Vigorous Objection and  
Will Contest It in Court.

Having been served with a sum-  
mons while in the bathroom of her  
apartment at No. 180 Riverside Drive,  
Mrs. Mary B. Luckenbach, widow of  
the late Commodore Lewis Lucken-  
bach, millionaire shipowner, has  
taken steps in the Supreme Court to  
prevent intrepid process servers  
from humiliating other women.

Before Supreme Court Justice Co-  
hagan Mrs. Luckenbach asked to have  
the service set aside and she has an-  
nounced her intention to carry the  
case to the highest court. She takes  
the ground that when a woman is  
taking her bath she should be safe  
from the prying server of court pro-  
cesses.

Mrs. Luckenbach is co-defendant  
with Dr. J. Dennis O'Hagan, who is  
employed by Mrs. Luckenbach and  
has an apartment in the same house,  
in a suit brought by Charles B.  
Houghton and John L. Ewen. Two  
weeks ago Leopold Levy, a process  
server, gained admittance to the  
apartment on the pretext that he  
wanted to see Dr. O'Hagan.

While Adele Schutt, personal maid  
to Mrs. Luckenbach, was admitting  
Levy to the apartment, the widow  
walked from her bedroom into the  
bathroom. The maid told Justice  
Cohagan that she told Levy to remain  
at the door until she found her  
mistress.

The process server followed her to  
the bathroom door. Mrs. Lucken-  
bach, hearing the controversy, opened  
the door. And lo! Levy thrust the  
papers through the opening.

Mrs. Luckenbach refused to accept  
the papers and they fell to the floor.  
Then she ordered the process server  
out of the house.

Dr. O'Hagan, who was not in the  
house at the time makes an affidavit  
supporting Mrs. Luckenbach's state-  
ments, and it was a good thing, judg-  
ing by his statements that he wasn't  
in the apartment when the process  
server appeared.

### WANT WILSON TO SPEAK IN BRYAN'S HOME CITY

President Takes Invitation of Ne-  
braska Committee Under  
Advisement.

WASHINGTON, Feb. 9.—President  
Wilson was invited to-day to speak on  
preparedness in Lincoln, Neb., by  
Senator Hitchcock and a Nebraska  
committee. The President said he  
would take the invitation under ad-  
visement, but that he was not sure  
he would make another speaking trip.  
Lincoln is the home of former Sec-  
retary Bryan, the Administration's lead-  
ing opponent in the preparedness pro-  
gramme.

Senator Hoke Smith and a large  
delegation from Atlanta asked the  
President to visit that city if he made  
a trip South. Senator Sheppard ex-  
tended a similar invitation for Dallas,  
Tex. Both Senators told him they be-  
lieved the States were for prepared-  
ness. Representative Fox of North  
Carolina invited the President to visit  
that State.

### SENATE CONFIRMS MULLAN.

New Yorker's Appointment to Su-  
preme Bench Goes Through.

ALBANY, Feb. 9.—The nomination  
of George V. Mullan of New York as a  
Justice of the Supreme Court was con-  
firmed by the Senate to-day.  
Senator Wagner said the appointment  
of Republicans to judicial positions  
made vacant by the death or resignation  
of Democrats was contrary to the policy  
of non-partisan judiciary adopted by  
the Democrats in New York last fall.  
Senator Wagner said the Democrats  
would not adopt the non-partisan judi-  
ciary plan next fall.

Win the Boys' Applause on  
Fiftieth Anniversary in  
Field of Muscle.

DO "STUNTS" LIKE MEN.

Swim, Leap, Run and Do  
Aesthetic Dancing for  
Good Measure.

Girls carried another masculine in-  
trenchment last night when a Y. W.  
C. A. detachment, five hundred  
strong, took possession of the big Y.  
M. C. A. gymnasium at No. 55 Han-  
son Place, Brooklyn. Tall girls and  
short girls, slim girls and stout girls,  
girls with flinted yellow frizzes,  
girls with flying dark braids, girls in  
bloomers and middie blouses, girls  
wearing black silk stockings, and—  
yes, in a Y. M. C. A. "gym"—TWO  
girls who wore WHITE ones, drilled  
and danced on the floor where the  
tubby two-hundred-pounder is wont  
to fondle the elusive medicine ball,  
where the undersized clerk strives to  
look like the young Greek god in the  
underwear advertisements.

As a part of the celebration of  
their fiftieth anniversary the depart-  
ments of physical training of the Y.  
W. C. A. in Brooklyn arranged the  
exhibition of gymnastics, aesthetic  
dancing and swimming to show the  
work their organization is doing  
along these lines. And for the per-  
formance the Y. M. C. A. obligingly  
turned over their own "gym," inas-  
much as it is more spacious than any  
of those at the Y. W. C. A. branches.  
Also Y. M. C. A. youths took charge  
of the hundreds of invited guests and  
directed them to their seats. A Y.  
M. C. A. orchestra played. And the  
Barnard girl athletes never received  
from Columbia boys applause heartier  
than that which the young hosts be-  
stowed upon their guests last even-  
ing.

Don't Merely "Stop" a  
Cough

Stop the Thing That Causes It  
and the Cough Will  
Stop Itself.

A cough is really one of our best  
friends. It warns us that there is  
inflammation or obstruction in a dan-  
gerous place. Therefore, when you get  
a bad cough don't proceed to dose  
yourself with a lot of drugs that merely  
"stop" the cough temporarily by dead-  
ening the throat nerves. Treat the  
cause—beal the inflamed membranes.  
Here is a home-made remedy that gets  
right at the cause and will make an  
obstinate cough vanish more quickly  
than you ever thought possible.

Put 2½ ounces of Pinex (30 cents  
worth) in a pint bottle and fill the bottle  
with plain granulated sugar syrup. This  
gives you a full pint of the most pleasant  
and effective cough remedy you ever  
used, at a cost of only 34 cents. No  
bother to prepare. Full directions with  
Pinex.

To avoid disappointment, ask your  
druggist for "2½ ounces of Pinex," and  
don't accept anything else. A guarantee  
of absolute satisfaction, or money  
promptly refunded, goes with this prepa-  
ration. The Pinex Co., Ft. Wayne,

pared for the worst after the snowy  
howl upstairs. When that—those—  
two pairs of them—caught the popu-  
lar eye—well, the hit of the evening  
was staged right then and there.  
Perhaps the most significant feature  
of the exhibition was the proof it  
offered that physical training is mak-  
ing a strong and definite appeal to  
all sorts and conditions of women.  
There were little school girls among  
the drilling groups, there were scores  
of young women between twenty and  
thirty, there were hard-working  
matrons, there were even a few  
women with gray hair, and appar-  
ently there wasn't a slacker in the  
squad.

The instructors in charge of the  
demonstration were Miss Laura  
Sharp, director of physical training  
at the Central Y. W. C. A.; Miss  
Margaret C. Hays, assistant director;  
Miss Ruth W. Parker, instructor at  
the Eastern District Branch; Miss G.  
Beatrice Bickholz, swimming instruc-  
tor.

To Free Your Skin  
of Hair or Fuzz

(Roudoir Secrets)  
No toilet table is complete without a  
small package of delatone, for with it  
hair or fuzz can be quickly banished  
from the skin. To remove hairs you  
merely mix into a paste enough of the  
powder and water to cover the objec-  
tionable hairs. This should be left on  
the skin about 2 minutes, then rubbed  
off and the skin washed, when it will be  
found free from hair or blemish. Be  
sure you get genuine delatone.—Advt.
